2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Fammatre Charter Elementary School, named a 2008 California Distinguished School, is an outstanding school that values academic excellence, enjoys parental and community support, and produces well-prepared students. Located in West San Jose, bordering Los Gatos and Campbell, Fammatre serves approximately 500 students in grades TK -5. Additionally, we have three special day programs on our campus serving students in preschool thru 5th grade. A safe, warm learning environment is evident as one enters the beautifully landscaped campus. At Fammatre School we believe that all our students can learn, grow, and experience success in school. We believe that children learn best when they are taught in ways that address their learning styles and that a positive, safe learning environment fosters successful student achievement. We encourage individual dignity, self-esteem, self-responsibility, and a sense of belonging to the school and community. Our focus is on teaching the whole child with an emphasis on creativity, communication, collaboration, and critical thinking to ensure students become productive citizens.

Vision Statements

- Our District has high standards where success for all is expected and achieved.
- Our District models global citizenship teaching real-world connections and practical applications.
- All students achieve in a variety of ways to meet social and academic goals.
- Collaboration is evident in all facets of our school community.
- Everyone is a role model for lifelong learning.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Each school has a separate staff room with adult restrooms and kitchenette facilities. Common areas for students to enjoy at break and lunch have been improved.

Fammatre School is well maintained by a staff of custodians who are assigned to the school. They maintain cleanliness and support the facility in many ways. They are supplemented by district staff who regularly assist in building maintenance. Custodians assure jobs are completed in a timely manner through an automated work order system. Learning is enhanced by improved lighting output at lower consumption rates. Fire alarm systems are regularly maintained at strict state standards. Heating and cooling systems are being added or upgraded in the summer of 2003. Fammatre School is well maintained by a staff of custodians who are assigned to the school. They provide cleanliness and support of the facility in many ways. They are supplemented by district staff who regularly assist in building maintenance. They assure jobs are completed in a timely manner through an automated work order system. In 2015, new perimeter fencing was installed. Solar arrays were added in 2015 to meet 85% of the schools electrical needs. The primary play ground was upgraded in 2015 to enhance the play experience.

Cambrian is extremely proud of our technology infrastructure. Our present ratio of students to computers is 3:1 iPads in TK-2 and 2:1 Chromebooks in grades 3-5. Students have computers available in their classroom. Computers are networked and linked to the internet. We are currently utilizing digital portfolios for all students to share daily work with their families as well as archive work throughout the students years at Fammatre. In 2016, all classrooms had flat screen televisions installed to replace the failing Smart Boards. There is a district wide technology specialist available to the schools and additional support from teacher representatives at each site who assist fellow teachers with any problems or questions that might occur. There is a districtwide technology plan to guide decisions.

Additional work during the summer of 2006 was completed on the infrastructure, including electrical and plumbing. All classrooms were renovated and a new office was completed in January, 2007.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Home and school collaboration and connection are highly valued at our school. Goal-setting conferences (grades TK-5), Project Cornerstone, Art Vista, classroom volunteers, and event coordinators/supporters bring families into partnership with the school. The administration conducts informal meetings such as principal coffees as well as formal meetings such as English Language Advisory Committee, and School Site Council multiple times a year to keep the community informed and ask for feedback to improve our practice. The Home and School Club brings parents, students, and our community together for a variety of activities. These include events such as our Monster Boogie Bash, Family Dance, Starlight Auction, Family Code Night, STEAM Night, Walk-a-Thon, field trips, and dining out events. Parents help in our classrooms as Arts Vista and Project Cornerstone docents and the Makerspace. Parents volunteer to coordinate a number of after school activities such as Girls on the Run, and after school enrichment programs. Parents become involved during our Back To School and Open House evenings and we have occasional evening assemblies that bring the community together. Finally, events such as our music program provide additional times for the community to participate in our programs.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Cambrian is a small school district with a long history of creating a safe learning environment. Absenteeism is less than 4% a year; suspensions are around 1% for the school. Students are aware of safety plans should emergencies arise and they complete practice drills often. Students and staff practice fire drills once a month, an earthquake drill twice a year as well as a lockdown drill once a year. In addition, the staff is trained and following all COVID-19 safety measures. Cambrian works with other agencies to provide a safe environment, which promotes learning. In addition, the school is proactive and responsive to medically sensitive issues, such as peanut allergies and students with diabetes. Our school district nurse trains staff on how to manage health situations. For more details, please see our Comprehensive School Safety Plan at <https://www.cambriansd.org/domain/651>. Fammatre's Comprehensive School Safety Plan is updated, presented at a public hearing, and approved by our Governing Board annually in the spring. The School Site Council reviewed the SSP and approved in on January 25, 2021.

Professional Development

District-wide staff professional development opportunities are reflective of students, staff, school, and district's goals and needs. Professional learning activities are designed to engage teachers in learning and implementing best practices that benefit student learning in alignment with district goals. These opportunities for professional learning include the following:

- Distance Learning digital tools and teaching strategies (necessitated by COVID-19 school shut down and transition to Distance Learning)
- TK-8 Articulation Days: 5 Teacher Inservice Days plus 3 two hour district-wide PD sessions provided
- English Language Arts/Reading/Math Screener assessment administration and data analysis
- Weekly District/Site/Grade Level Collaboration Time (Early Release Days)
- Interpreting student performance data from learning systems to inform instruction and measure student progress
- Safety Care Behavior Intervention & Support Training

Staff development is designed in our primary areas of focus: English Language Arts Curriculum implementation, English Learner instruction, 21st Century teaching, and mathematical practices. Using CCSS assessments, professional development is aligned with district, school, and/or individual professional needs to ensure teachers have adequate background, skills, and materials they need to support student learning. When new programs are introduced (e.g. math, science, or language arts), a specific time is dedicated to staff development to ensure the even and effective implementation of the program.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
