COMMUNITY

Community Use of School Facilities

The Governing Board recognizes that district facilities and grounds are a community resource and authorizes their use by community groups for purposes provided for in the Civic Center Act when such use does not interfere with school activities.

All school-related activities shall be given priority in the use of facilities and grounds under the Civic Center Act. Thereafter, the use shall be on a first-come, first-served basis as governed by Board Procedure 1330.

The Superintendent or designee shall maintain procedures and regulations for the use of school facilities and grounds that:

- A. Aid, encourage, and assist groups desiring to use school facilities for approved activities
- B. Preserve order in school buildings and on school grounds and protect school facilities, designating a person to supervise this task, if necessary.
- C. Ensure that the use of school facilities or grounds is not inconsistent with their use for school purposes and does not interfere with the regular conduct of school work.

The Board authorizes the use of school facilities or grounds by nonprofit organizations, clubs, or associations organized to promote youth and school activities. Other groups, including nonprofit groups and for-profit groups that request the use of school facilities under the Civic Center Act, may be charged at least direct costs as governed by Board Procedure 1330.
