AND AUTHORIZING NECESSARY ACTIONS**

WHEREAS, this Board of Trustees (the “Board”) of the Cambrian School District (the “District”), located in Santa Clara County (the “County”), California, is authorized to, and intends to, issue a 2024 series of its bonds for purposes authorized by the voters of the District on November 3, 2020; and

WHEREAS, the Board of Supervisors of the County is required to take action approving a tax rate for payment of indebtedness of the District during Fiscal Year 2024-25, and it is the responsibility of the Controller-Treasurer of the County to calculate the several tax rates for the Board of Supervisors’ action thereon; and

WHEREAS, this Board has determined that it is not possible or advisable to sell the District’s bonds in time to permit the Controller-Treasurer, or other appropriate County official, of the County to calculate the tax rates necessary to pay debt service on such bonds in order that such tax rates may be reflected on the Fiscal Year 2024-25 property tax bills of taxpayers in the District; and

WHEREAS, the Education Code of the State of California provides that the Board of Supervisors of each county shall annually, at the time of making the levy of taxes for county purposes, estimate the amount of money required to meet the payment of the principal and interest on the bonds authorized by the electors of the District and not sold, and which the Board of Trustees of the District informs the Board of Supervisors in their belief will be sold before the next tax levy, and further provides that said Board of Supervisors shall levy a tax sufficient to pay the principal and interest so estimated; and

WHEREAS, this Board deems it necessary and desirable to issue a series of the District’s bonds during Fiscal Year 2024-25, as authorized by the Education Code and the Government Code of the State of California, and that the County levy a tax for payment on debt service estimated to come due on such bonds during Fiscal Year 2024-25, and believes that said bonds will be sold during said Fiscal Year;

The proceeds of such tax shall be deposited into the debt service fund of the District established pursuant to the Education Code for bonds of the District.

In the event that the bonds of the District are not sold during Fiscal Year 2024-25, or sold in such amount and on such terms that the proceeds of the tax requested in Section 3 hereof, or any portion thereof, are not required for payment of debt service due on the bonds, or payment of other outstanding bonds of the District payable from the debt service fund of the District, this Board hereby requests that the Controller-Treasurer, or other appropriate official of the County cause the remaining proceeds of the tax to be held in the debt service fund and applied to debt service on outstanding bonds of the District coming due in Fiscal Year 2025-26.
