PURCHASING AUTHORITY DOLLAR THRESHOLD

Order limits for the purchase of goods and/or services is determined by the individual agency purchasing authority threshold.

No CMAS order may be executed by a State agency that exceeds that agency's purchasing authority threshold. State agencies with approved purchasing authority, along with their dollar thresholds can be obtained at the [List of State Departments with Approved Purchasing Authority](http://www.dgs.ca.gov/PD/Resources/Page-Content/Procurement-Division-Resources-List-Folder/List-of-State-Departments-with-Approved-Purchasing-Authority) website (www.dgs.ca.gov/PD/Resources/Page-Content/Procurement-Division-Resources-List-Folder/List-of-State-Departments-with-Approved-Purchasing-Authority).

HOW TO USE CMAS

Agencies must adhere to the detailed requirements in the State Contracting Manual (SCM) when using CMAS. The requirements for the following bullets are in SCM, Volume 2, Chapter 6 (for non-IT), SCM, Volume 3, Chapter 6 (for IT), and SCM, Volume FISCaI, Chapter 5 (FISCaI):

- Develop an RFO, which includes a Scope of Work (SOW) and Bidder Declaration form. For information on the Bidder Declaration requirements, see SCM, Volume 2, Chapter 3, 3.5.7 and Volume 3, Chapter 3, 3.4.7.
- Search for potential CMAS contractors on the CMAS website (www.dgs.ca.gov/PD/About/Page-Content/PD-Branch-Intro-Accordion-List/Acquisitions/California-Multiple-Award-Schedules) and select "Find a CMAS Contractor."
- Request offers from a minimum of 3 CMAS contractors including one small business (SB) and/or Disabled Veteran Business Enterprise (DVBE), if available, who are authorized to sell the products and/or services needed.
- If requesting offers from a certified DVBE, include the Disabled Veteran Business Enterprise Declarations form (Standard 843) in the RFO. This declaration must be completed and returned by the DVBE prime contractor and/or any DVBE subcontractors. (See SCM Volumes 2, 3, and FISCaI, Chapter 3).
- This is not a bid transaction, so the small business preference, DVBE incentives, protest language, intent to award, evaluation criteria, advertising, etc., are not applicable.
- If less than 3 offers are received, State agencies must document their file with the reasons why the other suppliers did not respond with an offer.
- Assess the offers received using best value methodology, with cost as one of the criteria.
- Issue a Purchase Order to the selected CMAS contractor.
- For CMAS transactions under \$10,000, only one offer is required if the State agency can establish and document that the price is fair and reasonable. The fair and reasonable method can only be used for non-customizable purchases.

SPLITTING ORDERS

Splitting orders to avoid any monetary limitations is prohibited.

Do not circumvent normal procurement methods by splitting purchases into a series of delegated purchase orders, per PCC 10329.

Splitting a project into small projects to avoid either fiscal or procedural controls is prohibited, per State Administrative Manual (SAM) 4819.34.

ORDERING PROCEDURES

1. Purchase Orders

All Ordering Agency purchase order documents executed under this CMAS must contain the applicable CMAS number as show on page 1.

a. State Departments:

Standard 65 Purchase Documents – State departments not transacting in FISCal must use the Purchasing Authority Purchase Order (Standard 65) for purchase execution. An electronic version of the Standard 65 is available at the Department of General Services (DGS), Procurement Division (PD) website (www.dgsapps.dgs.ca.gov/osp/StatewideFormsWeb/Forms.aspx), select Standard (STD) Forms.

FISCAL Purchase Documents – State departments transacting in FISCal will follow the FISCal procurement and contracting procedures.

b. Local Government Agencies:

Local government agencies may use their own purchase order document for purchase execution.

The agency is required to complete and distribute the purchase order. For services, the agency shall modify the information contained on the order to include the service period (start and end date), and the monthly cost (or other intermittent cost), and any other information pertinent to the services. The cost for each line item must be included in the order, not just system totals.

The contractor must immediately reject purchase orders that are not accurate. Discrepancies are to be negotiated and incorporated into the purchase order prior to product delivery and service implementation.

2. Service and Delivery after CMAS Expiration

The purchase order must be issued before the CMAS expires. However, delivery of the products or completion of the services may be after the CMAS expires (unless otherwise specifically stated in the purchase order). Amending the purchase order to add quantity, time, or money is not possible if the CMAS expired.

3. Multiple CMAS Agreements on a Single Purchase Order

Agencies wishing to include multiple CMAS agreements on a single FISCal purchase order must adhere to the following guidelines:

- All CMAS must be for the same CMAS contractor.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
LENNOX INDUSTRIES INC.
CMAS NO 4-21-00-0138A, SUPPLEMENT NO. 1**

- The purchase order must go to one contractor location.
- Enter the word “CMAS” in the space reserved for the Leveraged Procurement Agreement (LPA) number. The word “CMAS” signifies that the purchase order contains items from multiple CMAS agreements. The purchasing agency may only use one bill code.
- For each individual CMAS, the agency must identify and group together the CMAS number with the line items and subtotal per CMAS number (do not include tax in the subtotal), and sequentially identify each individual CMAS as Sub #1, Sub #2, Sub #3, etc. This facilitates accurate billing of administrative fees by the Procurement Division.
- The total of all items on the purchase order must not exceed the purchase order limit identified in the CMAS.
- Do not combine items from IT and non-IT CMAS agreements. An Information Technology CMAS begins with the number “3” and a non-IT CMAS begins with the number “4.” The purchase order limits are different for these CMAS agreements.

4. Amendments to State Agency's Purchase Orders

Agency purchase orders cannot be amended if the CMAS has expired.

SCM, Volumes 2 & 3, Chapter 6, 6.A5.0 and SCM, Volume FISCaI, Chapter 5, 5.A4.0 provides the following direction regarding amendments to all types of LPA purchase orders:

Original orders, which include options for changes (e.g., quantity or time), that were evaluated and considered in the selection for award during the RFO process, may be amended consistent with the terms of the original order, provided that the original order allowed for amendments. If the original order did not evaluate options, then amendments are not allowed unless an NCB is approved for those amendments.

Amendments unique to non-IT services are covered in SCM, Volume 2, Chapter 6, 6.B2.9 and SCM, Volume FISCaI, Chapter 5, 5.A4.1 as follows:

If the original contract permitted amendments, but did not specify the changes (e.g., quantity or time), it may be amended, per Public Contract Code (PCC) § 10335 (d)(1). Only a contract may be amended once under this exemption. The time shall not exceed one year, or add not more than 30% of the original order value and may not exceed \$250,000. If the original contract did not have language permitting amendments, the NCB process must be followed.

CMAS CONTRACTOR OWNERSHIP INFORMATION

The CMAS contractor is a large business enterprise.

SMALL BUSINESS MUST BE CONSIDERED

Prior to placing orders under the CMAS program, State agencies shall whenever practicable first consider offers from small businesses that have established CMAS (GC 14846(b)). NOTE: DGS auditors will request substantiation of compliance with this requirement when agency files are reviewed.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
LENNOX INDUSTRIES INC.
CMAS NO 4-21-00-0138A, SUPPLEMENT NO. 1**

CMAS Small Business and Disabled Veteran Partners lists (www.dgs.ca.gov/PD/About/Page-Content/PD-Branch-Intro-Accordion-List/Acquisitions/California-Multiple-Award-Schedules) can be found on the CMAS website by selecting "Find a CMAS Contractor".

In response to our commitment to increase participation by small businesses, the Department of General Services waives the administrative fee (a fee charged to customer agencies to support the CMAS program) for orders to California certified small business enterprises.

SMALL BUSINESS/DVBE - TRACKING

State agencies are able to claim subcontracting dollars towards their SB or DVBE goals whenever the CMAS contractor subcontracts a commercially useful function to a certified SB or DVBE. The CMAS contractor will provide the ordering agency with the name of the SB or DVBE used and the dollar amount the ordering agency can apply towards its SB or DVBE goal.

SMALL BUSINESS/DVBE - SUBCONTRACTING

1. The amount an ordering agency can claim towards achieving its SB or DVBE goals is the dollar amount of the subcontract award made by the CMAS contractor to each SB or DVBE.
2. The CMAS contractor will provide an ordering agency with the following information at the time the order is quoted:
 - a. The CMAS contractor will state that, as the prime contractor, it shall be responsible for the overall execution of the fulfillment of the order.
 - b. The CMAS contractor will indicate to the ordering agency how the order meets the SB or DVBE goal, as follows:
 - i. List the name of each company that is certified by the Office of Small Business and DVBE Services that it intends to subcontract a commercially useful function to; and
 - ii. Include the SB or DVBE certification number of each company listed, and attach a copy of each certification; and
 - iii. Indicate the dollar amount of each subcontract with a SB or DVBE that may be claimed by the ordering agency towards the SB or DVBE goal; and
 - iv. Indicate what commercially useful function the SB or DVBE subcontractor will be providing towards fulfillment of the order.
3. The ordering agency's purchase order must be addressed to the prime contractor, and the purchase order must reference the information provided by the prime contractor as outlined above.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
LENNOX INDUSTRIES INC.
CMAS NO 4-21-00-0138A, SUPPLEMENT NO. 1**

WITHHOLD LANGUAGE (SB588)

Option 1 – Withhold Language

Upon delivery or completion of ordered goods or services for which the Contractor committed to DVBE subcontractor participation, state departments must require the Contractor to certify all the following:

1. The amount and percentage of work the Contractor committed to provide to one or more DVBEs under the requirements of the contract and the amount each DVBE received from the Contractor.
2. That all payments under the contract have been made to the DVBE. Upon request, the Contractor must provide proof of payment for the work.

In accordance with the Military and Veterans Code 999.7, state departments shall withhold \$10,000 from the final payment, or the full final payment if less than \$10,000, if the Contractor fails to meet the certification requirements identified above. State departments shall notify the Contractor of their failure to meet the certification requirements and give the Contractor an opportunity to comply with the certification requirements. If after 30 calendar days from the date of notice, the Contractor refuses to comply with the certification requirements, the state department shall permanently deduct \$10,000 from the final payment, or the full payment if less than \$10,000.

Option 2 – No Withhold Language

During the contract term and upon completion of the contract for which a DVBE subcontractor commitment was made, DGS-PD will require the Contractor to certify all participation commitments and payments under the contract have been made to the DVBE. Upon request by DGS-PD, the Contractor shall provide proof of payment for the work.

PRODUCT SUBSTITUTIONS

Substitution of Deliverables may not be tendered without advance written consent of the Buyer. The Contractor must offer an equivalent or newer model of the product from the same manufacturer at the same or lower price. Contractor cannot use any specification in lieu of those contained in the Contract without written consent from the Buyer.

NEW EQUIPMENT REQUIRED

The State will procure new equipment. All equipment must be new (or warranted as newly manufactured) and the latest model in current production. Used, shopworn, demonstrator, prototype, or discontinued models are not acceptable.

Where Federal Energy Management Program (FEMP) standards are available, all State agencies shall purchase only those products that meet the recommended standards. All products displaying the Energy Star label meet the FEMP standards.

LENNOX INDUSTRIES INC.
CMAS NO 4-21-00-0138A, SUPPLEMENT NO. 1**

SPECIAL MANUFACTURED GOODS

Any CMAS for goods to be manufactured by the CMAS contractor specifically for the State and not suitable for sale to others may require progress payments.

For a Non-IT goods CMAS, see the CMAS Non-IT Commodities Terms and Conditions, Provision 69, Progress Payments.

TRADE-IN EQUIPMENT

Trade-ins at open market price may be considered. The product description and trade-in allowance must be identified on the purchase order.

Agencies are required to adhere to SAM 3520 through 3520.6, Disposal of Personal Property and Surplus Personal Property, as applicable, when trade-ins are considered. A Property Survey Report, Standard 152, must be submitted for approval prior to disposition of any State-owned personal property, including general office furniture regardless of the acquisition value, or if the property was recorded or capitalized for accounting purposes.

STATE AGENCY BUY RECYCLED CAMPAIGN

State ordering agencies are required to report purchases made within the eleven product categories in the California Department of Resources Recycling and Recovery's State Agency Buy Recycled Campaign per PCC 12200 through 12217.

Contractor will be required to complete and return a Recycled-Content Certification form (www.calrecycle.ca.gov/contracts/forms) upon request by the state ordering agency.

NOT SPECIFICALLY PRICED ITEMS

The only time that open market/incidental, non-schedule items may be included in a CMAS order is when they fall under the parameters of the Not Specifically Priced (NSP) Items provision.

CMAS contractors must be authorized providers of the hardware, software and/or services they offer under the NSP Items provision.

Agency and CMAS contractor use of the NSP provision is subject to the following requirements:

1. Purchase orders containing only NSP items are prohibited.
2. A purchase order containing NSP items may be issued only if it results in the lowest overall alternative to the State.
3. NSP items shall be clearly identified in the order. Any product or service already specifically priced and included in the base schedule may not be identified as an NSP item.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
LENNOX INDUSTRIES INC.
CMAS NO 4-21-00-0138A, SUPPLEMENT NO. 1**

4. NSP Installation Services: The CMAS contractor is fully responsible for all installation services performed under the CMAS. The prime contractor, as well as any subcontractors, must hold any certifications and/or licenses required for the project. The total dollar value of all installation services included in the purchase order cannot exceed the dollar value of the products included in the purchase order, nor can they exceed the NSP Maximum Order Limitation.
5. Maximum Order Limitation: For orders \$250,000, or less, the total dollar value of all NSP items included in a purchase order shall not exceed \$5,000. For orders exceeding \$250,000, and at the option of the contractor, the total dollar value of all NSP items in a purchase order shall not exceed 5% of the total cost of the order or \$25,000 whichever is lower.
6. An NSP item included in an order issued against a CMAS is subject to all of the terms and conditions set forth in the contract.
7. Trade-ins, upgrades, involving the swapping of boards, are permissible, where the contract makes specific provisions for this action. In those instances, where it is permitted, the purchase order must include the replacement item and a notation that the purchase involves the swapping of a board.

The following NSP items **are specifically excluded** from any order issued under this CMAS:

1. Items not intended for use in direct support of the priced items included in the same order. An NSP item must be subordinate to the specifically priced item that it is supporting. For example, a cable, which is not otherwise specifically priced in the base schedule, is subordinate to a specifically priced printer or facsimile machine and is eligible to be an NSP item subject to that cable meeting the remaining NSP requirements. However, a printer or facsimile machine, which is not otherwise specifically priced in the base schedule, is not subordinate to a specifically priced cable, and is not eligible to be an NSP item.
2. Supply type items, except for the minimum amount necessary to provide initial support to the priced items included in the same order.
3. Items that do not meet the Productive Use Requirements for information technology products, per SCM, Volume 3, Chapter 2, 2.B6.2 and SCM, Volume FISCa, Chapter 2, 2.E3.2.
4. Any other item or class of items specifically excluded from the scope of this CMAS.
5. Public Works components NOT incidental to the total purchase order amount.
6. Products or services the CMAS contractor is NOT factory authorized or otherwise certified or trained to provide.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
LENNOX INDUSTRIES INC.
CMAS NO 4-21-00-0138A, SUPPLEMENT NO. 1**

7. Follow-on consultant services that were previously recommended or suggested by the same CMAS contractor.

The CMAS contractor is required to reject purchase orders containing NSP items that do not conform to the above requirements. The CMAS contractor will promptly notify the agency issuing the non-conforming order of its non-acceptance and the reasons for its non-acceptance.

STATE AND LOCAL GOVERNMENTS CAN USE CMAS

State and local government agency use of CMAS is optional. A local government is any city, county, city and county, district, or other local governmental body or corporation, including Universities of California, California State Universities, K-12 schools, and community colleges empowered to expend public funds. While the State makes this CMAS available, each local government agency should make its own determination whether the CMAS program is consistent with its procurement policies and regulations.

PCC 10298 allows any city, county, city and county, district, or other local governmental body or corporation empowered to expend public funds to contract with suppliers awarded CMAS without further competitive bidding.

See complete [PCC 10298](http://leginfo.ca.gov/faces/codes_displaySection.xhtml?lawCode=PCC§ionNum=10298) language at (leginfo.legislature.ca.gov/faces/codes_displaySection.xhtml?lawCode=PCC§ionNum=10298).

PCC 10299 allows any school district empowered to expend public funds to utilize CMAS without further competitive bidding.

See complete [PCC 10299](http://leginfo.ca.gov/faces/codes_displaySection.xhtml?lawCode=PCC§ionNum=10299) language at (leginfo.legislature.ca.gov/faces/codes_displaySection.xhtml?lawCode=PCC§ionNum=10299).

UPDATES AND/OR CHANGES

A CMAS supplement is not required for updates and/or changes once the update and/or change becomes effective for the base schedule, except as follows:

- A CMAS supplement is required when the CMAS is based on specific products and/or services from another contractor's multiple award contract and the contractor wants to add a new manufacturer's products and/or services.
- A CMAS supplement is required for new federal contract terms and conditions that constitute a material difference from existing contract terms and conditions. A material change has a potentially significant effect on the delivery, quantity or quality of items provided, the amount paid to the contractor or on the cost to the State.

SELF-DELETING BASE SCHEDULE TERMS AND CONDITIONS

Instructions, or terms and conditions that appear in the Special Items or other provisions of the base schedule and apply to the purchase, license, or rental (as applicable) of products or services by the US Government in the United States, and/or to any overseas location shall be self-deleting. (Example: "Examinations of Records" provision).

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
LENNOX INDUSTRIES INC.
CMAS NO 4-21-00-0138A, SUPPLEMENT NO. 1**

Federal regulations and standards, such as Federal Acquisition Regulation, Federal Information Resources Management Regulation, Federal Information Processing Standards, General Services Administration Regulation, or Federal Installment Payment Agreement shall be self-deleting. Federal blanket orders and small order procedures are not applicable.

ORDER OF PRECEDENCE

The CMAS Terms and Conditions takes precedence if there is a conflict between the terms and conditions of the contractor's base schedule, packaging, invoices, catalogs, brochures, technical data sheets or other documents (see CMAS Terms and Conditions, CONFLICT OF TERMS).

APPLICABLE CODES, POLICIES AND GUIDELINES

All California codes, policies, and guidelines are applicable. The use of CMAS does not reduce or relieve state agencies of their responsibility to meet statewide requirements regarding contracting or the procurement of goods or services. Most procurement and contract codes, policies, and guidelines are incorporated into CMAS agreements. Nonetheless, there is no guarantee that every possible requirement that pertains to all the different and unique State processes has been included.

PAYMENTS AND INVOICES

This CMAS contains prompt payment discounts. See the base contract for the specific percent of discount

1. Payment Terms

Payment terms for this CMAS are net 45 days.

Payment will be made in accordance with the provisions of the California Prompt Payment Act, GC 927. Unless expressly exempted by statute, the Act requires State agencies to pay properly submitted, undisputed invoices not more than 45 days after (1) the date of acceptance of goods or performance of services; or (2) receipt of an undisputed invoice, whichever is later.

2. Payee Data Record (Standard 204)

State Agencies not transacting in FISCal, must obtain a copy of the Payee Data Record (Standard 204) in order to process payments. State Ordering Agencies must forward a copy of the Standard 204 to their accounting offices. Without the Standard 204, payment may be unnecessarily delayed. State Agencies should contact the CMAS contractor for copies of the Payee Data Record.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
LENNOX INDUSTRIES INC.
CMAS NO 4-21-00-0138A, SUPPLEMENT NO. 1**

3. DGS Administrative and Incentive Fees

Orders from State Agencies:

DGS will bill each State agency directly an administrative fee for use of CMAS. The administrative fee should NOT be included in the order total or remitted before an invoice is received from DGS. This administrative fee is waived for CMAS purchase orders issued to California certified small businesses.

Orders from Local Government Agencies:

CMAS contractors, who are not California certified small businesses, are required to remit to DGS an incentive fee equal to a percentage of the total of all local government agency orders (excluding sales tax and shipping) placed against their CMAS.

The incentive fee is waived for CMAS purchase orders issued to California certified small businesses.

4. Contractor Invoices

Unless otherwise stipulated, the CMAS contractor must send their invoices to the agency address set forth in the purchase order. Invoices shall be submitted in triplicate and shall include the following:

- CMAS number
- Agency purchase order number
- Agency Bill Code (State Only)
- Line item number
- Unit price
- Extended line item price
- Invoice total

State sales tax and/or use tax shall be itemized separately and added to each invoice as applicable.

The company name on the CMAS, purchase order and invoice must match or the State Controller's Office will not approve payment.

5. Advance Payments

Advance payment is allowed for services only under limited, narrowly defined circumstances, i.e., between specific departments and certain types of non-profit organizations, or when paying another government agency (GC 11256 through 11263 and 11019).

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
LENNOX INDUSTRIES INC.
CMAS NO 4-21-00-0138A, SUPPLEMENT NO. 1**

It is NOT acceptable to pay in advance, except software maintenance and license fees, which are considered a subscription and may be paid in advance if a provision addressing payment in advance is included in the purchase order.

Software warranty upgrades and extensions may also be paid for in advance, one time.

6. Credit Card

The CMAS contractor accepts the State of California credit card (CAL-Card).

A purchase order is required even when the ordering department chooses to pay the CMAS contractor via the CAL-Card.

7. Leasing/Financing

California State Agencies are required to utilize the Golden State Financial Marketplace (GS SMart) program for all financing and leasing needs. California Local Government Agencies (counties, cities, K-12 school districts, community colleges, California State Universities, Universities of California, etc.) may utilize the GS SMart program for financing and leasing according to PCC 14937. The minimum dollar amount for Local Government Agency financing and leasing is \$100,000.

8. Lease/Purchase Analysis

State agencies must complete a Lease/Purchase Analysis (LPA) to determine best value when contemplating a lease/rental and retain a copy for future audit purposes (SAM 3710).

For short-term rental equipment, the lease/purchase analysis must be approved by DGS Office of legal Services.

The lease/purchase analysis for all other purchases must be approved by the Department of General Services, GS SMart State Financial Marketplace. Buyers may contact the GS SMart Administrator, Kris Bianchini via e-mail at kristopher.bianchini@dgs.ca.gov for further information.

9. Leasing

The State reserves the right to select the form of payment for all procurements, be it either an outright purchase with payment rendered directly by the State, or a financing/lease-purchase or operating lease via the State Financial Marketplace (GS SMart and/or Lease SMart). If payment is via the financial marketplace, the Supplier will invoice the State and the State will approve the invoice and the selected Lender/Lessor for all product listed on the State's procurement document will pay the supplier on behalf of the State.

Buyers may contact the GS SMart Administrator, Kris Bianchini via e-mail at kristopher.bianchini@dgs.ca.gov for further information.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
LENNOX INDUSTRIES INC.
CMAS NO 4-21-00-0138A, SUPPLEMENT NO. 1**

OBTAINING COPY OF ORIGINAL CMAS AND SUPPLEMENTS

A copy of a CMAS and supplements, if any, can be obtained at Cal eProcure (caleprocure.ca.gov). A complete CMAS consists of the following:

- CMAS cover pages (which includes the signature page, ordering instructions and special provisions, and any attachments or exhibits as prepared by the CMAS Unit)
- CMAS Terms and Conditions.
- Base schedule terms and conditions
- Product/service listing and prices
- Supplements, if applicable.

It is important for the agency to confirm that the required products, services, and prices are included in the CMAS and are at or below base schedule rates. To streamline substantiation that the needed items are in the base schedule, the agencies should ask the CMAS contractor to identify the specific pages from the base schedule that include the required products, services, and prices. Agencies should save these pages for their file documentation.

CONTRACTORS ACTING AS FISCAL AGENTS ARE PROHIBITED

When a subcontractor ultimately provides all of the products or performs all of the services that a CMAS contractor has agreed to provide, and the prime contractor only handles the invoicing of expenditures, then the prime contractor's role becomes that of a fiscal agent because it is merely administrative in nature and does not provide a Commercially Useful Function. It is unacceptable to use fiscal agents in this manner because the agency is paying unnecessary administrative costs.

AGENCY RESPONSIBILITY

Each agency is responsible for its own contracting program and purchasing decisions, including use of the CMAS program and associated outcomes.

This responsibility includes, but is not necessarily limited to, ensuring the necessity of the services, securing appropriate funding, complying with laws and policies, preparing the purchase order in a manner that safeguards the State's interests, obtaining required approvals, and documenting compliance with GC 19130.b (3) for outsourcing services.

It is the responsibility of each agency to consult as applicable with their legal staff and contracting offices for advice depending upon the scope or complexity of the purchase order.

If you do not have legal services available to you within your agency, DGS Office of Legal Services is available to provide services.

CONFLICT OF INTEREST

Agencies must evaluate the proposed purchase order to determine if there are any potential conflict of interest issues. See the CMAS Terms and Conditions, Conflict of Interest, for more information.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
LENNOX INDUSTRIES INC.
CMAS NO 4-21-00-0138A, SUPPLEMENT NO. 1**

FEDERAL DEBARMENT

When federal funds are being expended, the agency is required to obtain (retain in file) a signed "Federal Debarment" certification from the CMAS contractor before the purchase order is issued.

This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, 29 CFR Part 98, Section 98.510, Participants; responsibilities. The regulations were published as Part VII of the May 26, 1988 Federal Register (pages 19160-19211).

CONTRACTOR TRAVEL

The Travel provision is not applicable to this CMAS.

LIQUIDATED DAMAGES FOR LATE DELIVERY

The value of the liquidated damages cannot be a penalty, must be mutually agreed upon by agency and contractor and included in the purchase order to be applicable.

ACCEPTANCE TESTING CRITERIA

If the agency wants to include acceptance testing for all newly installed technology systems, and individual equipment, and machines which are added or field modified (modification of a machine from one model to another) after a successful performance period, the test criteria must be included in the purchase order to be applicable.

Either party having knowledge of such term or provision shall promptly inform the other of the presumed non-applicability of such provision.

Further, Contractor avers that it will not enter into any arrangement with any third party which might abridge any rights of the State under this Contract.

- b) Contractor will have sole control of the defense of any action on such claim and all negotiations for its settlement or compromise; provided that (i) when substantial principles of government or public law are involved, when litigation might create precedent affecting future State operations or liability, or when involvement of the State is otherwise mandated by law, the State may participate in such action at its own expense with respect to attorneys' fees

Should the State desire financing of the assets provided hereunder through GS \$Mart, the State's financial marketplace, the Contractor agrees to assign to a State-designated lender its right to receive payment from the State for the assets in exchange for payment by the lender of the cash purchase price for the assets. Upon notice to do so from the State-designated lender at any time prior to payment by the State for the assets, the Contractor will execute and deliver to the State-designated lender an assignment agreement and any additional documents necessary for the State selected financing plan. The State-designated lender will pay the Contractor according to the terms of the Contractor's invoice upon acceptance of the assets by the State.

**CALIFORNIA MULTIPLE AWARD SCHEDULES (CMAS)
GENERAL PROVISIONS – NON-IT COMMODITIES**

10. WAIVER OF RIGHTS:

Any action or inaction by the State or the failure of the State on any occasion, to enforce any right or provision of the Contract, shall not be construed to be a waiver by the State of its rights hereunder and shall not prevent the State from enforcing such provision or right on any future occasion. The rights and remedies of the State herein are cumulative and are in addition to any other rights or remedies that the State may have at law or in equity.

11. CMAS - ORDER OF PRECEDENCE:

In the event of any inconsistency between the articles, attachments, specifications or provisions which constitute this Contract, the following order of precedence shall apply:

against the carrier or carriers be wholly or partially declined by the carrier or carriers with the inference that damage was the result of the act of the shipper such as inadequate packaging or loading or some inherent defect in the equipment and/or material, Contractor, on request of the State, shall at Contractor's own expense assist the State in establishing carrier liability by supplying evidence that the equipment and/or material was properly constructed, manufactured, packaged, and secured to withstand normal transportation conditions.

14. TIME IS OF THE ESSENCE:

Time is of the essence in this Contract.

Contractor will keep records evidencing inspections and their result, and will make these records available to the State during Contract performance and for three years after final payment. **CALIFORNIA MULTIPLE AWARD SCHEDULES (CMAS)
GENERAL PROVISIONS – NON-IT COMMODITIES**

substantially conform to their specifications. If the State does not provide such notice of rejection within thirty (30) days, unless otherwise specified in the Statement of Work, of delivery, such Goods and services will be deemed to have been accepted. Acceptance by the State will be final and irreversible, except as it relates to latent defects, fraud, and gross mistakes amounting to fraud. Acceptance shall not be construed to waive any warranty rights that the State might have at law or by express reservation in this Contract with respect to any nonconformity.

18. SAMPLES:

- a) Contractor warrants that Goods and services furnished hereunder will conform to the requirements of this Contract (including all descriptions, specifications and drawings made a part

hereof), and such Goods will be merchantable, fit for their intended purposes, free from all defects in materials and workmanship and to the extent not manufactured pursuant to detailed designs furnished by the State, free from defects in design. The State's approval of designs or specifications furnished by Contractor shall not relieve the Contractor of its obligations under this warranty.

**CALIFORNIA MULTIPLE AWARD SCHEDULES (CMAS)
GENERAL PROVISIONS – NON-IT COMMODITIES**

22. TERMINATION FOR NON-APPROPRIATION OF FUNDS:

- a) If the term of this Contract extends into fiscal years subsequent to that in which it is approved, such continuation of the Contract is contingent on the appropriation of funds for such purpose by the Legislature. If funds to effect such continued payment are not appropriated, Contractor agrees to take back any affected Goods furnished under this Contract, terminate any services supplied to the State under this Contract, and relieve the State of any further obligation therefor.
- b) STATE AGREES THAT IF PARAGRAPH (a) ABOVE IS INVOKED, GOODS SHALL BE RETURNED TO THE CONTRACTOR IN SUBSTANTIALLY THE SAME CONDITION IN WHICH DELIVERED TO THE STATE, SUBJECT TO NORMAL WEAR AND TEAR. STATE FURTHER AGREES TO PAY FOR PACKING, CRATING, TRANSPORTATION TO CONTRACTOR'S NEAREST FACILITY AND FOR REIMBURSEMENT TO THE CONTRACTOR FOR EXPENSES INCURRED FOR THEIR ASSISTANCE IN SUCH PACKING AND CRATING.

23. TERMINATION FOR THE CONVENIENCE OF THE STATE:

- a) The State may terminate performance of work under this Contract for its convenience in whole or, from time to time, in part, if the Department of General Services, Deputy Director, Procurement Division, or designee, determines that a termination is in the State's interest. The Department of General Services, Deputy Director, Procurement Division, or designee, shall terminate by delivering to the Contractor

a Notice of Termination specifying the extent of termination and the effective date thereof. The parties agree that, as to the terminated portion of the Contract, the Contract shall be deemed to remain in effect until such time as the termination settlement, if any, is concluded and the Contract shall not be void.

- b) After receipt of a Notice of Termination, and except as directed by the State, the Contractor shall immediately proceed with the following obligations, as applicable, regardless of any delay in determining or adjusting any amounts due under this clause. The Contractor shall:
 - i. Stop work as specified in the Notice of Termination.
 - ii. Place no further subContracts for materials, services, or facilities, except as necessary to complete the continued portion of the Contract.
 - iii. Terminate all subContracts to the extent they relate to the work terminated.
 - iv. Settle all outstanding liabilities and termination settlement proposals arising from the termination of subContracts; the approval or ratification of which will be final for purposes of this clause.

24. TERMINATION FOR DEFAULT:

- a) The State may, subject to the Force Majeure paragraph contained herein, by written notice of default to the Contractor, terminate this Contract in whole or in part if the Contractor fails to:
 - i. Deliver the Goods or to perform the services within the time specified in the Contract or any amendment thereto;

**CALIFORNIA MULTIPLE AWARD SCHEDULES (CMAS)
GENERAL PROVISIONS – NON-IT COMMODITIES**

- ii. Make progress, so as to endanger performance of this Contract (but see subparagraph (b) below); or
- iii. Perform any of the other provisions of this Contract (but see subparagraph (b), below).
- b) The State's right to terminate this Contract under subparagraphs (a)(ii) and (a)(iii) above, may be exercised if the Contractor does not cure such failure within the time frame stated in the cure notice issued by the Buyer.
- c) If the State terminates this Contract in whole or in part, it may acquire, under the terms and in the manner the Buyer considers appropriate, Goods or services similar to those terminated, and the Contractor will be liable to the State for any excess costs for those Goods or services. However, the Contractor shall continue the work not terminated.
- d) If the Contract is terminated for default, the State may require the Contractor to transfer title and deliver to the State, as directed by the Buyer, any:
 - i. Completed Goods, and
 - ii. Partially completed Goods and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and Contract rights (collectively referred to as "manufacturing materials" in this clause) that the Contractor has specifically produced or acquired for the terminated portion of this Contract. Upon direction of the Buyer, the Contractor shall also protect and preserve property in its possession in which the State has an interest.
- e) The State shall pay Contract price for completed Goods delivered and accepted. The Contractor and Buyer shall agree on the amount of payment for manufacturing materials delivered and accepted for the protection and

preservation of the property. Failure to agree will be a dispute under the Disputes clause. The State may withhold from these amounts any sum the Buyer determines to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders.

- f) If, after termination, it is determined that the Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the State.
- g) The rights and remedies of the State in this clause are in addition to any other rights and remedies provided by law or under this Contract.

25. FORCE MAJEURE:

Except for defaults of subContractors at any tier, the Contractor shall not be liable for any excess costs if the failure to perform the Contract arises from causes beyond the control and without the fault or negligence of the Contractor. Examples of such causes include, but are not limited to:

- a) Acts of God or of the public enemy, and
- b) Acts of the federal or state government in either its sovereign or Contractual capacity.

If the failure to perform is caused by the default of a subContractor at any tier, and if the cause of the default is beyond the control of both the Contractor and subContractor, and without the fault or negligence of either, the Contractor shall not be liable for any excess costs for failure to perform.

**CALIFORNIA MULTIPLE AWARD SCHEDULES (CMAS)
GENERAL PROVISIONS – NON-IT COMMODITIES**

26. RIGHTS AND REMEDIES OF STATE FOR DEFAULT:

- a) In the event any Goods furnished or services provided by the Contractor in the performance of the Contract should fail to conform to the requirements herein, or to the sample submitted by the Contractor, the State may reject the same, and it shall become the duty of the Contractor to reclaim and remove the item promptly or to correct the performance of services, without expense to the State, and immediately replace all such rejected items with others conforming to the Contract.
- b) In addition to any other rights and remedies the State may have, the State may require Contractor, at Contractor's expense, to ship Goods via air freight or expedited routing to avoid or minimize actual or potential delay if the delay is the fault of the Contractor.

employed by that State agency in a policy-making position in the same general subject area as the proposed Contract within the twelve-month period prior to his or her leaving State service.

64. CMAS - SUBCONTRACTING REQUIREMENTS:

Any subContractor that the CMAS supplier chooses to use in fulfilling the requirements of this Contract/purchase order, and which is expected to receive more than ten (10) percent of value of the Contract/purchase order, must also meet all Contractual, administrative, and technical requirements of the Contract/purchase order, as applicable.

65. CMAS - RENTAL AGREEMENTS:

The State does not agree to:

- Indemnify a Contractor;
- Assume responsibility for matters beyond its control;
- Agree to make payments in advance;
- Accept any other provision creating a contingent liability against the State; or
- Agree to obtain insurance to protect the Contractor.

The State's responsibility for repairs and liability for damage or loss is restricted to that made necessary by or resulting from the negligent act or omission of the State or its officers, employees, or agents.

If the Contractor maintains the equipment, the Contractor must keep the equipment in good working order and make all necessary repairs and adjustments without qualification. The State may terminate for default or cease paying rent should the Contractor fail to maintain the equipment properly.

Personal property taxes are not generally reimbursed when leasing equipment (SAM 8736).

66. CMAS - LEASE (LEASE \$MART™):

If an agency desires to lease through Lease \$Mart™, the Contractor agrees to sell to lessor the assets at the same price as they agree to sell to the State.

67. CMAS - QUARTERLY REPORTS:

Contractors are required to submit quarterly business activity reports, as specified in this Contract, even when there is no activity. A separate report is required for each Contract, as differentiated by alpha suffix.

68. CMAS - LIQUIDATED DAMAGES:

In the event that the Contractor fails to deliver in accordance with the Contract requirements, the parties agree that the delay will interfere with the proper implementation of the State's programs, to the loss and damage of the State. From the nature of the case, it would be impracticable and extremely difficult to fix the actual damages sustained in the event of any such delay. The State and Contractor, therefore, presume that in the event of any such delay the amount of damage which will be sustained from a delay will be the amounts set forth in the Statement of Work, and the State and the Contractor agree that in the event of any such delay, the Contractor shall pay such amounts as liquidated damages and not as a penalty. Amounts due the State as liquidated damages may be deducted by the State from any money payable to the Contractor. The State shall notify the Contractor in writing of any claim for liquidated damages pursuant to this paragraph on or before the date State deducts such sums from money payable to the Contractor.
